

REGISTER NOW FOR SCIENCE & TECH CAMP AT CAMP EVANS

Wow Science and Camp Evans are proud to offer a six-week hands-on science and tech camp in the summer of 2018. Campers will participate in many FUN, age-appropriate, hands-on science, technology, engineering and math (STEM) projects that highlight important STEM concepts, simplify

complex topics, and reinforce what campers learned in school. These projects are designed to pique and promote children's interest in STEM. On the fifth day of each week campers take an educational field trip.

Eligibility: Children in Kindergarten through 8th grade. **Registration Options:** Register for **2, 4, or 6** weeks. Register for **Tech** or **Science** camp. Optional early drop off (7:30 AM) and late pickup (4:30 – 5:30 PM).

Age Cohorts:

Junior Camp (K to rising 2nd grader)

Main Camp (rising 3rd to 5th grader)

Teen Camp (rising 6th to 8th grader)
