

You're invited to hold your child's next Science-themed Birthday Party at InfoAge!

InfoAge is the perfect venue to hold your child's birthday party, younger scouts meeting or 3rd thru 5th grade class trip. While standard admission during regular operating hours allows your group to enjoy our museums (including astronomy, computers, electronics, model railroad, military and shipwreck history), for \$250 we offer a science show demonstrating concepts that will impress, entertain and educate. Hands-on participation from some audience members is solicited during the show. The show is ideally suited for ages 8-11. Special tours during off-hours may be available.

The price of the science show includes:

- space for groups of up to 100
- tables and chairs
- bring your own food & beverages
- food & beverages provided (extra cost)

Contact us today to schedule your child's next science-themed birthday party or meeting at InfoAge!
