

# Thomas A. Crowley, Jr., LTC, USA (Ret)

**Trustee of InfoAge**

Tom Crowley is an experienced corporate executive, advisor and board member, working with early-stage to mid-size companies. He brings over three decades of expertise in strategic planning, operational leadership and optimizing revenues and shareholder value in the medical device markets.

Mr. Crowley currently serves on the Boards of Vertical Spine, LLC, Cascade Medical Enterprises, LLC and Myomo, Inc. He is actively engaged in providing governance and business advice involving financial transactions, business strategy and execution to four medical device companies and two private equity firms. He has also served as Chairman of Core Essence Orthopedics, Inc. Board Member of Aircast, LLC and QDx Diagnostics and member, Corporate Advisory Council, American Society for Surgery of the Hand.

Prior to his current role, he was President of Small Bone Innovations, Inc.; Managing Director - Healthcare Investment Banking at Friedman Billings Ramsey; Chief Executive at Aircast, LLC; Senior VP and GM, PSS Ventures; and VP, Clinical Business Unit at Hoffman LA Roche. Mr. Crowley holds a BA from Fairfield University, Fairfield, CT and an MS from Columbia University School of Business, New York, NY. He retired from the U.S.A. Army Reserves as a Lieutenant Colonel and is a Graduate, U.S. Army Command and General Staff College, Ft. Leavenworth, KS.
