FROM: Camp Invention®
TO: YOU!

WEEK 1: WONDER

Young innovators will:

- Build their own mini skate park with rad ramps, bowls, jumps and rails
- Become event planners, invent a Party Assistant and design light-up party hats and bubble art
- Transform a robot into a unique stuffie, then use the power of intellectual property to protect it
- Launch a pop-up business and become awesome entrepreneurs who make green energy choices

WEEK 2: FAST FORWARD

Young innovators will:

- Design dream homes, explore renewable energy sources and invent their own smart devices
- Become robotic pet veterinarians as they take apart and diagnose their own robotic dog
- Explore sensors, create tracks for a driving robot and find inspiration to design a futuristic vehicle
- Build persistence as they launch rockets and experiment with magnets and slime
